As she is preparing to relinquish her title, Maureen said, "One could hardly imagine how exciting and memorable a year could be as being Miss Mishicot. My 12 months have been filled with lovely remembrances. I'll always remember the moment the crown of my community was placed on my head, and the little children who looked with awe at a real live queen. I'll never forget the emotion I felt inside whenever I was announced as Miss Mishicot.

"When I look back on my swiftly passing year, I see the dedicated people who helped me make my year rewarding. I see the kindness of my parents and all the friendships I made as I travelled throughout my state.

"This also has been a year of dedication for me; my goal was to represent this community as the fine one it is. I hope that in some measure our community will be remembered in the hearts of the people I met this year for its warmth and kindness.

"As my year draws to a munity to have bigger hearts than the people of Mishicot; thank you for the honor of permitting me to be your 'Miss' ".
